🔗 LeetCode

Education

Parul Institute Of Engineering & Technology

Sept 2022 – Jun 2025

BTech in Computer Engineering

- CGPA: 7.98/10
- **Coursework:** DSA, Database Management System, OOPs, Operating System

S.B.Polytechnic

Sept 2019 – May 2022

Diploma in Computer Engineering

- CGPA: 9.77/10

Experience

Software Developer Intern

Gujarat, India

Greeksoft Technologies Pvt. Ltd.

Jan. 2025 – Jun. 2025

- Engineered **virtual grids** using **MFC** and **CBCGP Grid Control** in C++ for client applications, enabling faster data handling and improved UI responsiveness.
- Refactored and optimized legacy modules in C++, **reducing code complexity by 25%** and boosting maintainability.
- Resolved critical bugs across multiple modules, **lowering error rate by 40%** and enhancing system stability. Conducted **Unit & Functional Testing**, achieving **95% defect-free delivery**.

Projects

Personal Finance Tracker (MERN)

2025

- Built a full-stack **MERN application** to manage income, expenses, and savings with secure multi-user support. Implemented **JWT authentication** and role-based access control for user security.
- Developed an **interactive dashboard** with charts for monthly/yearly financial insights.
- Designed and optimized **REST APIs (Node.js + Express)** with **MongoDB aggregation** for reports.

AI Load Balancer (FastAPI + React + ML)

2025

- Built an **AI-powered load balancer** using FastAPI to optimize request distribution based on real-time latency and performance metrics.
- Developed a **React dashboard** for real-time monitoring of server performance and intelligent routing insights.
- Automated **model retraining** using logged request data to enhance prediction accuracy and load distribution efficiency.

Technical Skills

Languages: C++, C, Java, Python, Node.js, Express.js, HTML.

Database: MongoDB, MySQL, PL/SQL(Basic), SQL

Tools: Google Colab, Postman, Android Studio, VS Code, Git, Gitlab, Power BI, Flutter.

Achievements

- Received **Gold Medal** for standing first in Diploma Computer Engineering.
- Got **first prize certificate** in project fair in college.
- School Topper in SSC board examination with **96.13 PR**.
